Birkenhead Swimming Club

Teachers/ Coaches & Volunteers Handbook

Affiliated to Swim England North West Region and to the Cheshire County Water Polo and Swimming Association

Welcome to Birkenhead Swimming Club

Mission Statement - to provide opportunities for all individuals to develop their skills and compete at levels appropriate to their development, and maximise their potential as a competitive swimmer.

Birkenhead Swimming Club and ASA are committed to good child welfare policies and practice, and has a child welfare policy, with child welfare disciplinary policy and details of where they can be obtained, i.e. from the Welfare Officer/club website/notice board/ ASA website. In a situation where a child is at risk of harm or has been harmed the parent/ club Welfare Officer should contact the police or social services directly and inform the ASA ICPO as soon as possible with information of the concern.

The Club will do their best to encourage your child to improve their strokes and fitness. The programme provided in all our squads will attempt to bring the best from your child, and will work far more effectively if attendance is at least twice a week for beginners and two thirds of the sessions available, or more, for Juniors and seniors.

We will seek to encourage your child to take part in competitive galas, of which we have a number at different levels. This will begin with time trials within the club leading to team selection for development galas and further progress in teams appropriate to your child's development.

From a coaching point of view you cannot hurry a child's development, maturity both physical and mental affect their performance

What can you do as a parent?? **Firstly** and most importantly, always find a way to **encourage** your child rather than criticise. Try to ensure they judge their own performance against only themselves and their previous **personal best** performances. We call these PB's and each swimmer in our club has their current PB's recorded on the notice board just outside the pool. This is because all children mature and develop at different rates and the swimmers who finish at a high level do not necessarily shine early!

Secondly, watch the notice board(s) to see if your child has been chosen for a gala. This board is inside the pool hall on the left as you enter. Please always advise availability at the earliest opportunity and of any problems. Obviously this is because it can result in coaches having to contact other swimmers at short notice if availability is not advised **EARLY**. Please try to avoid this by ticking/crossing the team sheet **EARLY**. If we are advised late then this will probably involve a telephone call to seek other swimmers for the team, we would ask you to appreciate that this is by no means an indication that your child is "second choice"; we fully appreciate the support of those parents and children! It is unfortunate, but is solely a problem provided by swimmers not advising if they will swim **EARLY**!

Lastly, if you have any queries please ask We can't promise the answer you may expect but hopefully we should be able to explain why and what we do.

Please remember that all the officials, coaches and helpers within the club are volunteers. They are there to do their best for **ALL** the children in the club. They are quite happy to answer any question or advise you who is best placed to answer. We're not saying that they are always right but please respect their commitment.

First Day - On your child's first attendance at the club we will ask them to swim a few lengths in three different strokes. They will then be assigned to a lane for the rest of the session and we will gauge their current levels of fitness. At the end of the session the coach will advise you of the squad and lane your child should attend.

You are allowed to attend three sessions including your first and just pay the training fee. On your fourth attendance or before you must pay your yearly club membership. The rates for this are on the attached membership form.

The club is committed to providing support for its members and in the event that you have any difficulties with fees or the provision of equipment please speak, in strictest confidence, to: the Chairman, Roy Smither on 0151 644 0653

Club Structure – Mission Statement

To provide opportunities for all individuals to develop their skills and compete at levels appropriate to their development, and maximise their potential as a competitive swimmer.

Club Structure - Teaching

Birkenhead Swimming Club's teaching programme follows the "ASA national plan for teaching swimming".

Entry is at pre-competition level 7, which is the logical progression from Advanced Level 2 swimming lessons or equivalent.

The swimmer will initially consolidate their existing skills and develop their efficiency of the four competitive strokes. They will then, through the use of a range of drills and practices, progress towards the more demanding aspects of training development in preparation for taking part in competitive swimming.

The rate at which swimmers develop varies, and our teachers and coaches will ensure the necessary skills, strokes and confidence are in place at each stage of their progression.

This pre-competition development comprises two levels, both leading to awards.

Level 1 skill development includes floatation, streamlining, sculling, treading water and introduces the use of the pace clock.

Level 1 stroke development progresses the efficiency of the four competitive strokes through the use of drills, kicking, turns and starts.

Level 2 skill development further progresses sculling, treading water and use of the pace clock and introduces land training through the use of simple loosening exercises.

Level 2 stroke development continues to improve on stroke efficiency and kicking, introduces more advanced drills, makes further progress on starts, turns and finishes, and introduces short repetitive swimming sets.

Awards

A range of certificates and badges to mark achievement are available from the club shop.

eg. Preliminary Competitive Start, and stroke and sprint awards

Swimmers are also encouraged to keep a record of their progress in training, through the use of a log sheet (see section 10 of this handbook), and of their awards using a logbook which is available from the club shop.

We compete each year in a number of leagues or galas and utilize each for different purposes. This will depend on the level of competition within those competitions and the requirements of the season.

CLUB TIME TRIALS

These are held approx. every eight weeks on a Sunday evening between 5pm and 8.00pm. All swimmers swim every stroke over 50 (some 25s for the youngest. This allows us to get a picture of how everyone is doing and make direct comparisons of fitness. It is also a friendly introduction to gala procedures for our younger swimmers. Please do your best to ensure your child attends.

PENINSULA DEVELOPMENT LEAGUE

A development league in which we encourage all club members to participate, especially those recently joined. The events in these galas are time limited and provide a chance to swim strokes or distances that you do not usually participate in. If you have specific requirements please talk to Nic Winter.

PENINSULA LEAGUE

Normally our strongest team, we compete in against teams from Hoylake, Wallasey, Ellesmere Port, Bebington, and Woodchurch,

MERSEYSIDE & DISTRICT LEAGUE

Not completing

A three division, six teams per league competition. The season for this league is September to June.

Benefits of Sports Equity

Equal Opportunity in Swimming

'Equal Opportunity is about celebrating difference and diversity and as such providing a swimming structure that can respond to this in a proactive and positive manner'.

The ASA and British Swimming is totally committed to the principals and practice of equal opportunities across all of it's aquatic disciplines, both as an employer, provider and as facilitator of such practices by all it's members. In our work with key partners, such as the athletes, clubs, teachers, coaches, officials and administrators, we will advocate our policies make every effort to ensure that all participation has equity at it's core.

Swimming is a 'sport for all'. It can and should be enjoyed and made accessible to everyone and to achieve this:

- **The ASA/British Swimming** is committed to work towards ensuring that swimming is accessible to the, many rather than the few.
- **The ASA/British Swimming** recognizes the need to acknowledge the diversity of provision that is required to ensure that all people, regardless of their race, sex/gender, disability, age, sexual orientation, social or economic background can access swimming and develop at a level that is appropriate to them.
- **The ASA/British Swimming** recognizes the need to celebrate differences and diversity of provision as a means of creating entitlement and accessibility to our structures.
- **The ASA/British Swimming** recognizes that equal opportunity is about recognizing that people are different and therefore require different provision.
- **The ASA/British Swimming** recognizes the need to consult widely in order to respond to diversity.

Addressing Equal Opportunities

In addressing equal opportunities, the ASA/British Swimming will respond to issues of equity by:

- Recognising that swimming as an organisation – our staff, athletes, coaches, teachers, officials and administrators need to adapt and work flexibly in order to respond to the needs of a wide and diverse range of people.
- Take positive action to increase the involvement from under represented groups in all aspects of our organisation, participation, coaching, teaching, officialdom etc.

In doing so the ASA/British Swimming supports four key principals as being fundamental to ensuring that everyone can participate in our sport and the achievement of equality of opportunity:

- Entitlement:** People have a right to participate in and access quality and appropriate experiences within diving, swimming, synchronised swimming and waterpolo.
- Accessibility:** It is the responsibility of the ASA – our teachers, coaches, officials and administrators – to adapt provision to fit the needs of the many.
- Inclusion:** Wherever and whenever possible, all to access the same quality of provision, and if necessary to use positive action to ensure this:
- Integrity:** Whatever we do as an Association to change or adopt provision, it must be of equal worth, challenging, relevant and in no way patronising.

“Coach the Ability NOT the Disability”

WHY SWIMMING FOR PEOPLE WITH DISABILITIES?

Swim21 focuses on a swimmer centred approach, putting the needs of the swimmer first. This applies to all participants in swimming, regardless of ability. All swimmers deserve the opportunity to achieve their full potential. Great Britain leads the world in disability swimming, and for this to continue we must endeavour to provide those opportunities.

INTEGRATING DISABLED SWIMMERS INTO YOUR CLUB

It is important to assess swimmers ability in the water, in order to determine which group would be appropriate and which sessions would be of best benefit. Talk to the swimmer about their ability, they are the best judge of what they can and cannot do.

All swimmers should receive appropriate levels of coaching, water time and land conditioning related to the level at which they are performing. If land training is to be provided, consideration must be given to the access requirements of disabled swimmers, and the support needs of those who are providing that training.

Practical tips may include ensuring sessions are always written out and placed at the end of the lane, which would help swimmers with hearing difficulties. Additionally, those swimmers with learning difficulties benefit from repetitive programmes which over time they can learn and feel secure in doing.

CLASSIFICATION

If you are dealing with Learn to Swim and early swimmer development then classification is not an issue, but as swimmers move up the competitive ladder, they will need to be classified, especially if they are looking to compete at National or International level. Classification is based on a swimmers functional ability to swim a particular stroke. It can be a complicated issue but there are experts around to help and guide in this area.

WHO ELSE CAN HELP?

There are a number of disability specific organisations that serve people with disabilities. The umbrella organisation which serves as the development arm for disability sport is the English Federation of Disability Sport, which works closely with the ASA to assist with the development of disability swimming.
