Welcome to Birkenhead & Wirral Aquarius Swimming Clubs

Mission Statement - to provide opportunities for all individuals to develop their skills and compete at levels appropriate to their development, and maximise their potential as a competitive swimmer.

Birkenhead & Wirral Aquarius Swimming Clubs will do their best to encourage your child to improve their strokes and fitness. The programme provided in all our squads will attempt to bring the best from your child, and will work far more effectively if attendance is at least twice a week for beginners and two thirds of the sessions available, or more, for Juniors and seniors.

We will seek to encourage your child to take part in competitive galas, of which we have a number at different levels. This will begin with time trials within the club leading to team selection for development galas and further progress in teams appropriate to your child's development.

From a coaching point of view you cannot hurry a child's development, maturity both physical and mental affect their performance

What can you do as a parent?? **Firstly** and most importantly, always find a way to **encourage** your child rather than criticise. Try to ensure they judge their own performance against only themselves and their previous personal best performances. We call these PB's and each swimmer in our club has their current PB's recorded on the notice board just outside the pool. This is because all children mature and develop at different rates and the swimmers who finish at a high level do not necessarily shine early!

Secondly, watch the notice board(s) to see if your child has been chosen for a gala. This board is inside the pool hall on the left as you enter. Please always advise availability at the earliest opportunity and of any problems. Obviously this is because it can result in coaches having to contact other swimmers at short notice if availability is not advised EARLY. Please try to avoid this by ticking/crossing the team sheet EARLY. If we are advised late then this will probably involve a telephone call to seek other swimmers for the team, we would ask you to appreciate that this is by no means an indication that your child is "second choice"; we fully appreciate the support of those parents and children! It is unfortunate, but is solely a problem provided by swimmers not advising if they will swim EARLY!

Lastly, if you have any queries please ask We can't promise the answer you may expect but hopefully we should be able to explain why and what we do.

Please remember that all the officials, coaches and helpers within the club are volunteers. They are there to do their best for ALL the children in the club. They are quite happy to answer any question or advise you who is best placed to answer. We're not saying that they are always right but please respect their commitment.

First Day - On your child's first attendance at the club we will ask them to swim a few lengths in three different strokes. They will then be assigned to a lane for the rest of the session and we will gauge their current levels of fitness. At the end of the session the coach will advise you of the squad and lane your child should attend.

You are allowed to attend three sessions including your first and just pay the training fee. On your fourth attendance or before you must pay your yearly club membership. The rates for this are on the attached membership form.

The club is committed to providing support for its members and in the event that you have any difficulties with fees or the provision of necessary equipment please speak, in strictest confidence, to the Chairman, Roy Smither on 644 0653

Club Structure – Mission Statement

To provide opportunities for all individuals to develop their skills and compete at levels appropriate to their development, and maximise their potential as a competitive swimmer.

Club Structure - Teaching

Birkenhead & Wirral Aquarius Swimming Club's teaching programme follows the "ASA national plan for teaching swimming".

Entry is at pre-competition Stage 10, which is the logical progression from Local Authority swimming lessons or equivalent.

The swimmer will initially consolidate their existing skills and develop their efficiency of the four competitive strokes. They will then, through the use of a range of drills and practices, progress towards the more demanding aspects of training development in preparation for taking part in competitive swimming.

The rate at which swimmers develop varies, and our teachers and coaches will ensure the necessary skills, strokes and confidence are in place at each stage of their progression.

This pre-competition development comprises two levels, both leading to awards.

Level 1 skill development includes floatation, streamlining, sculling, treading water and introduces the use of the pace clock.

Level 1 stroke development progresses the efficiency of the four competitive strokes through the use drills, kicking, turns and starts.

Level 2 skill development further progresses sculling, treading water and use of the pace clock and introduces land training through the use of simple loosening exercises.

Level 2 stroke development continues to improve on stroke efficiency and kicking, introduces more advanced drills, makes further progress on starts, turns and finishes, and introduces short repetitive swimming sets.

Awards

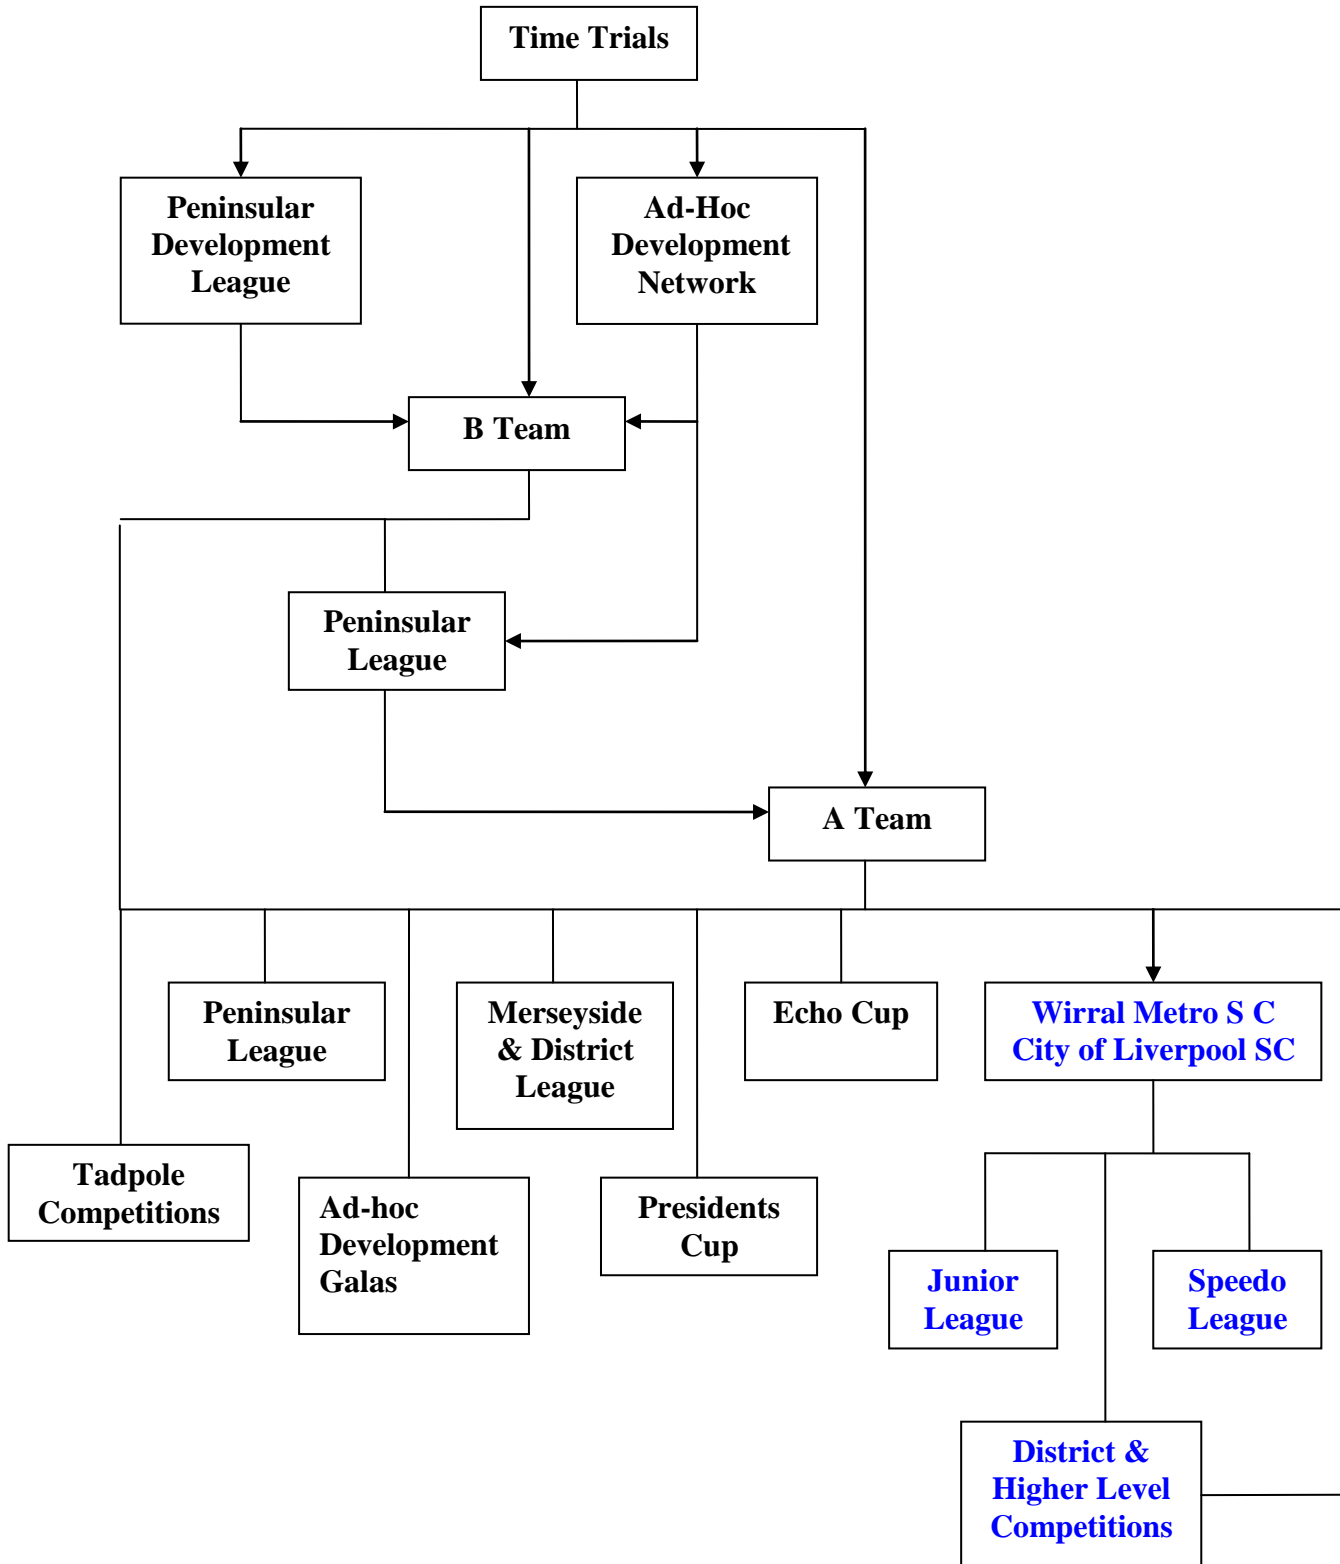

A range of certificates and badges to mark achievement are available from the club shop.

eg. Preliminary Competitive Start, and stroke and sprint awards

Swimmers are also encouraged to keep a record of their progress in training, through the use of a log sheet (see section 10 of this handbook), and of their awards using a logbook which is available from the club shop.

Wirral Aquarius Swimming Club operates in partnership with Birkenhead Swimming Club.
League competitions and Ad-Hoc galas – Swimmers compete with Birkenhead.
Tadpole and Open competitions – swimmers compete as club of choice.

Birkenhead & Wirral Aquarius Swimming Clubs compete in partnership in a number of leagues or galas and utilize each for different purposes. This will depend on the level of competition within those competitions and the requirements of the season. For 2010 it will be:

CLUB TIME TRIALS

These are held approx. every three months on a Sunday evening between 4pm and 6.00pm. All swimmers swim every stroke over 50 (some 25s for the youngest. This allows us to get a picture of how everyone is doing and make direct comparisons of fitness. It is also a friendly introduction to gala procedures for our younger swimmers. Please do your best to ensure your child attends.

PENINSULA DEVELOPMENT LEAGUE

A development league in which we encourage all club members to participate, especially those recently joined. The events in these galas are time limited and provide a chance to swim strokes or distances that you do not usually participate in. If you have specific requirements please talk to Nic Winter.

AD-HOC SWIMMING DEVELOPMENT GALAS

A network to enable ad-hoc galas between clubs. We encourage all club members to participate, especially those recently joined. There are a number of gala formats available including some which are time limited and provide a chance to swim strokes or distances that you do not usually participate in. If you have specific requirements please talk to Nic Winter.

PENINSULA LEAGUE A team

Normally our strongest team, we compete in against teams from Hoylake, Wallasey, Ellesmere Port, Bebington, and Woodchurch,

MERSEYSIDE & DISTRICT LEAGUE

Having swum in division 1 for many years due to the reduced number of teams the league has been reformed to a four division, four teams per league competition.

We compete in division two against Prescot, Crosby and Bootle & North Liverpool.

The season for this league will be Sept. 2009 to June 2010

ECHO CUP

A high level competition for 9 to 12 year olds with 11 other very good standard Merseyside clubs. We compete in two six team galas at Everton Park and after the initial two rounds the six teams with the highest points go forward to the final. We have produced a steady improvement in this competition over the last few years.

PRESIDENTS CUP

A competition for 13 year olds to open swimmers with other good standard Merseyside clubs. We compete in two galas at Everton Park and after the initial two rounds the six teams with the highest points go forward to the final. All events are 50 metres and relays at one length.

RELAY GALAS

A relaxation for club members from intense individual competition. We enter three, all relay galas each year and they undoubtedly generate great team spirit and motivation, not to mention the noise!!!

OPEN MEETS

Watch the notice board for details of open meets. Entry forms for advertised galas are available from Peter Barton

CHAMPIONSHIP MEETS

We also encourage our members to compete in some championship events. These consist of the three Peninsular Age Group competitions, Liverpool & District Championships, Cheshire Championships, and the Merseyside & District Junior Championships.

CLUB CHAMPIONSHIPS

These are held annually over a series of galas on Sunday evening between 4pm and 6.00pm during November and December. All swimmers have the opportunity to swim all strokes in individual age groups over 50m and 100m.
A mini gala of 25m events is held for 7/under – 10 year old swimmers.
